

# ***BACK TO THE FUTURE***

## **2014 IEEE Symposium on Product Compliance Engineering**

**WHEN:** May 5-7, 2014  
**WHERE:** Double Tree Inn, San Jose, CA  
**REGISTER:** [www.psessymposium.org](http://www.psessymposium.org)

For professionals from small and medium enterprises seeking the latest state-of-art information on product compliance engineering & certification, please consider attending the 2014 IEEE Symposium on Product Compliance Engineering (ISPCE), to be held May 05- 07, 2014 in San Jose, CA USA.

Over fifty presentations are scheduled, and planned are tracks on Global Regulations & Certification Management, Standards & their Application, Medical & Risk Assessment, Energy Storage & Batteries, and more, and also included is a 2.5 day EMC Workshop.

Registration is open now and advanced (reduced) registration rates are available through March 28, 2014.

There is expected to be well over 200 attendees from around the world providing lots of opportunity to network. The ISPCE organizers would love to see you there!
